

The Dairy Science Program is re-building at Texas A&M and getting bigger every year with students from all majors interested in the dairy business. We are continuously raising money for our active Dairy Science Club to participate in events such as The North American Intercollegiate Dairy Challenge competition, national dairy judging contests, and a trip to experience dairies outside the United States. The club is also very active in the Southern Great Plains Dairy Consortium Teaching Program. This program has brought students from across the nation to learn about large scale dairy operations. Your proceeds to this fundraiser will help our club continue to do well in events and strengthen our education in today's changing industry.

Texas A&M Dairy Science

Christmas Fundraiser

Christmas Cheese Fundraiser

The Texas A&M University Dairy Science Club is selling quality cheese boards that are made by the club members from recycled hardwood. With the boards, we are including different varieties of cheese. The cheese is from Texas Jersey in La Grange, Texas. Texas Jersey is owned by the Frerichs' family, Robert '74 and Ralph '84, both graduates in Dairy Science. These are specialty cheeses, made from the highest quality Jersey milk. The cheese comes in four varieties and two different shapes. Summer sausage is manufactured by Slovacek Sausage in Snook, Texas. You may

choose any combination of the cheese and sausage when placing your order. A complete list of the different varieties

is on the order form enclosed. The cheese boards are branded with "A&M Dairy" on the board's bottom. These cheeses, sausages, and boards make great gifts for employees, co-workers, friends, and family. They will come to your door wrapped and ready as a perfect Christmas gift. Boards are shipped within the United States. Shipping date will be **December 5th**. Please indicate where you would like your package to be sent on the order form.

Price List

One Cheese & Board

Choose the type of cheese you would like. Indicate your selection on the order form.

\$17.50
