The 2013 Four States Cattle Conference is brought to you by

Oklahoma State University, in compliance with Title VI and VII of the Civil Rights Act of 1964, Executive Order 11246 as amended, Title IX of the Education Amendments of 1972, Americans with Disabilities Act of 1990, and other federal laws and regulations, does not discriminate on the basis of race, color, national origin, gender, age, religion, disability, or status as a veteran in any of its policies, practices or procedures. This includes but is not limited to admissions, employment, financial aid, and educational services.

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, Mike D. Woods, Interim Director of Oklahoma Cooperative Extension Service, Oklahoma State University, Stillwater, Oklahoma. This publication is printed and issued by Oklahoma State University as authorized by the Vice President, Dean, and Director of the Division of Agricultural Sciences and Natural Resources and has been prepared and distributed at a cost of 20¢ per copy.
Paul Beck  
University of Arkansas

Paul attended Oklahoma State University from 1986 to 1993, receiving B.S. and M.S. degrees in Animal Science. Paul completed his Ph.D. at the University of Arkansas in 2003 and joined the faculty of the Department of Animal Science in 2004. Paul conducts research at the Southwest Research and Extension Center near Hope and the Livestock and Forestry Research Station near Batesville.

Gary McManus  
Oklahoma Climatological Service

Gary McManus joined the Oklahoma Climatological Survey in May 1999 and currently serves as the Associate State Climatologist for Oklahoma. Gary is editor in chief of Oklahoma’s Monthly Climate Summaries and has done extensive research cataloguing Oklahoma’s weather hazards. A native of Buffalo, Oklahoma, Gary earned his B.S. and M.S. degrees in Meteorology from the University of Oklahoma.

Derrell Peel  
Oklahoma State University

Derrell is the Charles Breedlove Professor of Agribusiness in the Department of Agricultural Economics. He has served as the Extension Livestock Marketing Specialist since he came to Oklahoma State University in 1989. He has B.S. and M.S. degrees from Montana State University and a Ph.D. from the University of Illinois.

Jeremy Powell  
University of Arkansas

A Professor and Veterinarian with the University of Arkansas Division of Agriculture, Jeremy received a B.S. degree in Animal Science from University of Arkansas, a DVM degree from Oklahoma State University and a Ph.D. from the University of Arkansas. He provides leadership in beef cattle research coordinated through the Department of Animal Science.

Mike McCormick  
Louisiana State University AgCenter

Dr. McCormick received a BS from Mississippi State University, MS from LSU and PhD from VPI (1980) in ruminant nutrition with an emphasis on forages. For the last 28 years he has conducted research on baleage/silage forage conservation systems, pastured dairy cattle and dairy nutrition.

Ron Gill  
Texas A&M

Ron is professor and Extension livestock specialist for Texas AgriLife Extension. In addition, he serves as Associate Department Head and Program Leader for Extension animal science faculty. Gill continues to provide leadership in Extension programming related to animal well-being and low-stress livestock handling.

Brian Freking  
Oklahoma State University

Brian attended South Dakota State University from 1987 to 1992, receiving his B.S. and M.S. degrees in Animal Science. Brian began his Oklahoma Extension career in 2004 as the Agriculture Educator in LeFlore County. Brian currently serves as the SE District Livestock Specialist providing support for 19 counties in Oklahoma.
