DEPARTMENT OF AGRICULTURAL ECONOMICS

2020-2021

Committed to Excellence, Creativity, Leadership, and Service

Founded in 1922

STUDENT HANDBOOK

TEXAS A&M UNIVERSITY DEPARTMENT OF AGRICULTURAL ECONOMICS

UNDERGRADUATE STUDENT HANDBOOK

2020-2021

Welcome to the Department of Agricultural Economics!

As a student in this department you are advised to use this handbook (along with other important sources of official information) to aid in your successful navigation of our program. Please be aware that each student has the responsibility to be fully acquainted with and to comply with the Texas A&M University Student Rules. Official information sources include:

The Undergraduate Catalog (http://catalog.tamu.edu)

University Student Rules (https://student-rules.tamu.edu/)

Schedule of Classes (http://howdy.tamu.edu)

The AGEC Undergraduate website (http://agecon.tamu.edu/undergraduate/)

"The AGEC Express"—Agricultural Economics Undergraduate Office Newsletter

This newsletter is emailed to our students each Friday. It is also posted on our website at http://agecon.tamu.edu/undergraduate/undergraduate-news/

The Agricultural Economics Undergraduate Office will use your TAMU student email for all communication (this account will also be your official form of communication with the AGEC Department and Texas A&M University), so be sure to check your TAMU email on a daily basis!

Advising Appointment Information

The Department of Agricultural Economics has three full-time academic advisors. Although students are not assigned to an advisor, you may request to meet with a specific advisor when scheduling your appointment. Advisors see students on an appointment-only basis, and are also available to answer brief questions through email (please remember to ALWAYS include your UIN in the body of EACH of your emails to an advisor). Walk-in appointments are also available to students on Wednesday and Thursday mornings.

Advising appointments: NAVIGATE

See page 35 for instructions on how to schedule an advising appointment with this system.

(Do not contact advisors directly to request an appointment)

AGEC Undergraduate Office 979.845.4911

Location: AGLS 214

Office Hours: 8:00 a.m.—5:00 p.m.

Financial Advisor/Planner

Internal Auditor

Operations Analyst

Procurement Associate

Real Estate Broker

Realtor

Independent Landman

Project Coordinator

Marketing/Sales Representative

Trader

Claims Analyst

Drilling Fluids Engineer

Legislative Aide

Quality Control Manager

AS A CURRENT STUDENT, YOU HAVE ACCESS TO ACADEMIC, BILLING, AND FINANCIAL AID INFORMATION WITH YOUR NET ID AND PASSWORD IN THE HOWDY PORTAL.

Most Texas A&M University requests and functions can be found on the Howdy portal. All academic information as well as optional services (Athletics Sports Passes, Campus Directory, etc.) are available in a single location. Several of the most helpful items included in Howdy are listed below:

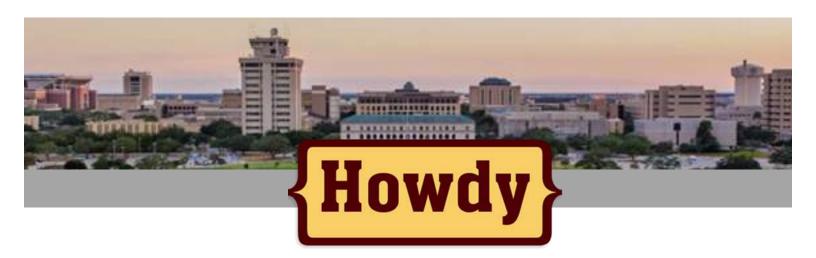

- ⇒ **My Profile:** This new icon in Howdy provides a one-stop view of your personal information, registration time tickets, holds, registered courses, financial aid, and billing data. This information can be viewed and updated in "My Profile" by clicking the pencil icon in the Student Information panel.
- ⇒ Grades and Transcripts/Credit by Examination: Advanced Placement and International Baccalaureate credit. Students should verify with an advisor before accepting any AP/IB credit. All scores from all tests (SAT/ACT/AP/IB/MPE/etc.) that have been received at Texas A&M are available in the "Prior Education and Testing" menu of the "My Profile."

- ⇒ **Degree Evaluation:** Displays the completed and remaining course requirements to graduate with a specific degree. This can be accessed under the "My Record" tab in Howdy (select "View Degree Evaluation"). The following steps will allow you to create a personalized evaluation:
 - 1. Select current semester and click "Submit" button
 - 2. Select "What-if Analysis" link at bottom of page
 - 3. Select the first semester that you were enrolled at A&M. Click on "Continue"
 - 4. Select the relevant major offered from the Agricultural Economics department:
- · Agribusiness: "BS AGBU [Ag and Life Science]
- · Ag Economics, Finance and Real Estate: "BS AGEC-Finance and Real Estate"
- · Ag Economics, Food Marketing Systems: "BS AGEC-Food Mktg. Systems"
- · Ag Economics, Policy and Economic Analysis: "BS AGEC-Policy and Econ Analysis"
- Ag Economics, Rural Entrepreneurship: "BS AGEC-Rural Entrepreneurship"
- · AG Economics, 3+2: "BS-Agricultural Economics and MPS from Bush School"
 - 5. Click "Submit" button.
 - 6. Click "Generate Request" button.
 - 7. Click "Detail Requirements" button.
 - 8. Click "Submit" button.

*If you would like to add a minor to your evaluation, do not click the "Submit" button. Instead, click the "Add More" button, then choose a minor from list in the "First Minor" field (add "Second Minor" if applicable)

- ⇒ Holds: A tool available to staff at A&M to temporarily freeze a student's account. A hold may prevent a student from registering for courses until it is removed. Students should check the "My Profile" section in Howdy on a regular basis to verify that there are no holds on their account. If a student has a hold, they should contact the department that placed the hold to resolve the issue.
- ⇒ Transcript: A listing of all courses on record at Texas A&M. This includes current coursework (in progress) and completed coursework. Students are able to print unofficial transcripts from the "Grades and Transcripts" section in the "My Record" tab. Students may also request official Texas A&M transcripts at the same location (there will be a fee associated with ordering an official transcript).
- ⇒ Transfer Course Equivalency: A listing of all courses that have been submitted to Texas A&M and the equivalent Texas A&M course information. This information is available in the "Degree Evaluation" section of the "My Record" tab under "Transfer Course Equivalency." If courses and/or institutions are not listed, A&M has not received an official transcript from that institution.
- ⇒ "My Finances" tab: Billing, refund, loan, and Scholarship and Financial Aid information can be found in the "My Finances" tab. Students should verify their account status on a regular basis through the "Pay My Tuition/Manage My Account" link.

Registration Information

Note:

- ⇒ It is the responsibility of the student to make sure course prerequisites are completed prior to registering for a specific class. FAILURE TO MEET PREREQUISITES FOR AGEC COURSES WILL RESULT IN THE STUDENT BEING DROPPED FROM THE CLASSES FOR WHICH PREREQUISITES HAVE NOT BEEN MET. All course prerequisites will be listed in the Undergraduate Catalog. Appendix A (Pages 59-61) in this handbook also lists the prerequisites for all AGEC courses, and includes the semesters in which these courses are typically offered. Course restrictions and prerequisites, if any, can also be viewed on the "Schedule of Classes" tab in HOWDY by selecting the course number and title OR the course registration number (CRN). Prerequisites for courses often change. If/when a prerequisite changes, you must meet the new requirements in order to register for the affected course.
- ⇒ Students are also required to take courses that will lead to the completion of the degree for which they are currently enrolled. Failure to enroll in courses that will lead to their intended degree results in a "Curriculum Violation" (as indicated in TAMU Student Rule 1.5.1). Students in the Department of Agricultural Economics who violate this rule will have all courses that do not apply to their degree removed from their schedule.
- ⇒ Please note that your classification is based on the total number of hours you have
 COMPLETED and does NOT include your "in progress" course hours.

*Remember to monitor your account for holds on a regular basis, as holds may prevent students from registering for classes until they are removed. To check for holds in HOWDY, view the "My Profile" section. If a student has a hold, they should contact the department that placed the hold (displayed in Howdy) to resolve the issue.

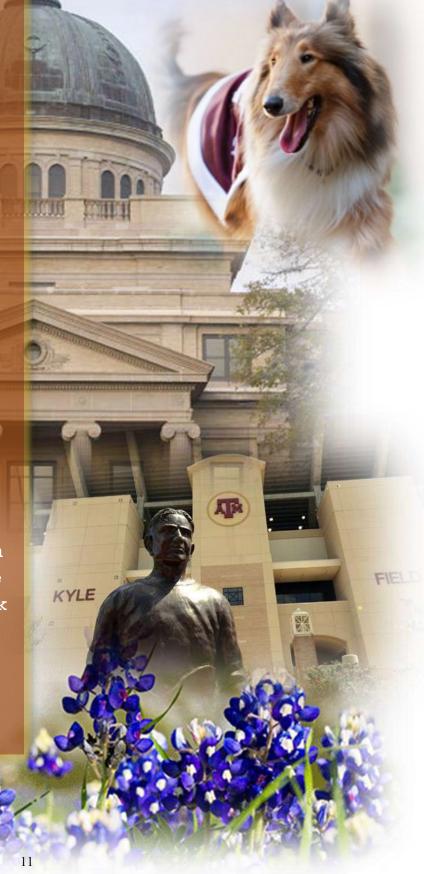

- ⇒ Agribusiness students must be classified as "Upper-Level" in order to register for upper-level business courses.
- ⇒ Additional fees are associated with registering for a Distance Education (online) course section. More information concerning Distance Education fees can be obtained at: https://catalog.tamu.edu/graduate/tuition-fees-financial-information/tuition-required-fees/
- ⇒ If you do not register for classes during your assigned preregistration slot, you will have to wait until open registration begins to enroll in a class. Please refer to your registration time slot assignment in Howdy for all opportunities to register.
- ⇒ A student may ADD classes during the first five class days of the fall or spring semester, and during the first four days of the regular summer terms or 10-week summer semester (Student Rule 1.16.1).
- ⇒ A student may **DROP** a course with no record during the first twelve class days of a fall or spring semester, and during the first four class days of a summer term or a 10-week summer semester (Student Rule 1.16.2).
- ⇒ For fall and spring semesters, the Q-drop period begins on the thirteenth class day and ends on the 60th day (Student Rule 1.16.2).
- ⇒ For summer semesters, the Q-drop period begins on the fifth class day and ends on the 15th class day (or on the 35th class day of a 10-week summer semester) (Student Rule 1.16.2)
- ⇒ Check account for any holds that may prevent registration.

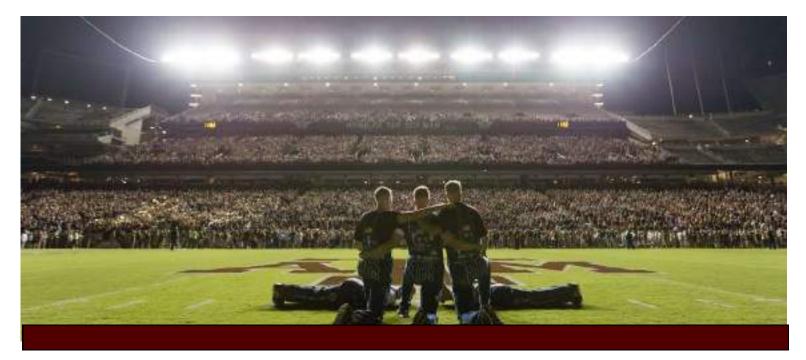

*Students who have on-campus OR off-campus employment for a minimum of twelve (12) hours between 8 a.m. and 5 p.m. Monday through Friday are allowed to preregister for their classes earlier than the general student population (in order to schedule classes around their work schedules). Eligible students allowed to preregister as student employees will be assigned registration times on the last day of preregistration for the classification immediately preceding theirs (i.e. junior-level student employees will be assigned a registration time on the last day of preregistration for seniors). To qualify for early preregistration, student employees must submit a "Texas A&M University Employment Certification for Student Employment" form. This form can be accessed at http://registrar.tamu.edu/Registrar/media/REGI_Forms/StudentWorkerForm.pdf

Transfer Course Credit

You are required to have all transfer course credit (including correspondence, AP credit, dual credit, and credit by exam) posted to your Texas A&M University transcript as soon as the course work has been completed.

- · Official transcripts from other colleges/universities must be received by the Office of Admissions and Records (OAR) for you to receive academic credit.
- The OAR is located in Suite 1601, General Services Complex, 750 Agronomy Road, and can also be reached by calling 979-845-7387.
- You can find course equivalencies on your Howdy portal by selecting the Transfer Course Equivalency link under Degree Evaluation.

Q-DROPS

Students are allowed six (6) total Q-drops throughout the duration of their undergraduate career at Texas colleges. Of these six, no more than four (4) may occur at Texas A&M University. To locate a Q-Drop form you must go to http://registrar.tamu.edu/, select "Forms and Report," and then select the Q-Drop Request link. After you have completed the form, print, sign, and date it, and bring it to Suite 214 of the Agriculture and Life Science Building for processing **prior to the posted Q-Drop deadline for the semester**. Q-Drop deadlines are posted on the University's academic calendar located at http://registrar.tamu.edu/General/Calendar.

For complete information regarding Q-Drops, visit: http://student-rules.tamu.edu/ and read sections 1.16.2—1.16.4.

WITHDRAWING FROM THE UNIVERSITY

Please refer to http://student-rules.tamu.edu/rule17 for more information regarding withdrawals. The official withdrawal form can be found in Howdy under the "My Record" tab; however, please be sure to consult with an advisor before withdrawing from the University. The deadline to withdraw without documentation is the last day to Q-drop. A student **may** be allowed to withdraw after the Q-drop deadline in the event of unusual or extenuating circumstances.

DEPARTMENT OF AGRICULTURAL ECONOMICS DISMISSAL POLICY

TAMU Student Rules Sections 12.1 through 12.1.4 define scholastic deficiency, and 12.2 through 12.2.4 provides university rules regarding students who are scholastically deficient.

DISMISSAL

A student will receive a Dismissal letter (i.e. be dismissed from continued enrollment in the Department of Agricultural Economics) when his or her cumulative GPR falls below a 2.0. Students may receive a Dismissal letter for poor academic performance in the Core Business Knowledge (CBK) courses and/or their courses in major if their grade point deficit is greater than six (6). Students will be allowed to appeal the dismissal; however, there is NO guarantee that an appeal will be accepted.

For an appeal to be considered, the student must provide a type-written letter stating the adverse circumstance(s) contributing to his or her poor academic performance. The appeal must also include documentation substantiating the reason(s) for poor academic performance. All documentation is subject to verification. Should the appeal be accepted, the student will be sent a "Scholastic Probation" letter.

Copies of dismissal letters are sent to the student's TAMU email AND via US mail to the address(es) the student has on their Howdy Portal.

Texas A&M University Scholastic Probation and Suspension Policy

SCHOLASTIC PROBATION

A student will receive a Scholastic Probation letter when his or her GPR in major and/or in their Core Business Knowledge (CBK) falls below a 2.0. Scholastic Probation letters will also be given in the event that a student's term GPA falls below a 2.0. Students with a grade point deficit of more than six (6) will receive a dismissal letter.

Students receiving a Scholastic Probation letter must meet each of the following requirements:

Make up the total grade point deficiency indicated in Scholastic Probation letter Meet with the Assistant Department Head for Undergraduate Student Affairs by the deadline date indicated in the Scholastic Probation letter Enroll in the appropriate courses that will allow the student to make up their grade points (for example, if the student is deficient in their CBK GPR, the student must enroll in one or more CBK courses)

PLEASE NOTE:

- ⇒ Students will be allowed to be on Scholastic Probation only ONCE during his/her tenure in the Department of Agricultural Economics.
- ⇒ Students who fail to meet ALL the requirements stipulated in the probation letter will be dismissed from further enrollment in the Department of Agricultural Economics.
- ⇒ Agribusiness majors who are scholastically deficient in CBK courses only (i.e. with cumulative GPR and major GPRs still above a 2.0) may elect to change to the Agricultural Economics degree which does not require CBK courses. Once an Agribusiness major changes to Agricultural Economics, they will not be allowed to return to the Agribusiness degree at a later date.
- ⇒ Students will receive either a dismissal or scholastic probation letter if their major and/or CBK GPR falls below a 2.0. The type of letter received will depend on the size of their grade deficiency.

Academic Success Center – Provides workshops, academic coaching, and other services to enhance students' academic performance. The Academic Success Center is located on the 9th floor of Rudder Tower, and can be contacted at 979-458-4900 or at http://successcenter.tamu.edu/

Student Counseling Services – Offers a wide variety of counseling services. Student Counseling Services are located at Student Services Building and can be contacted at 979-845-4427 or http://scs.tamu.edu/

Student Assistance Services – Provides students with the appropriate guidance, resources and support to address a variety of personal and academic matters. Student Assistant Services are located at Student Services Building and can be contacted at 979-845-3113 or http://studentlife.tamu.edu/sas

Disability Services – Offers accommodations counseling, evaluation referral, disability-related information, adaptive technology services, sign language interpretation, and transcription services for academically-related purposes. Disability Services are located at White Creek, and can be reached at 979-845-1637 or at http://disability.tamu.edu/

*University Writing Center— Provides supplemental writing and public speaking instruction for undergraduate and graduate students across Texas A&M University. For more information, visit http://writingcenter.tamu.edu/

*The Department of AGEC also provides a Writing Center for students

Office of Professional School Advising -

Provides information to students that would like to apply to professional schools (such as law school or medical school). OPSA is located in Koldus Suite 209, with a check in desk at the Career Center. They may be reached at 979-847-8938 or at http://careercenter.tamu.edu/Resources/Professional-School

Student Health Services – Located in A.P. Beutel Health Center, SHS provides medical services to Texas A&M Students. They can be contacted at 979-458-8319 or http://shs.tamu.edu/

Study Hub –The Academic Success Center offers free, drop-in tutoring for a number of highly requested or core curriculum courses. For more information, visit http://successcenter.tamu.edu/Programs/Tutoring

AGEC Undergraduate Office—The AGEC

Undergraduate Office provides help with questions regarding class scheduling, degree planners, and other academic-related questions. The office is located in Room 214 of the Agriculture and Life Sciences (AGLS) building, and can be contacted at 979-845-4911

TAMU Career Center-The Career Center provides career and professional information to students. The Career Center is located in 209 Koldus, and can be contacted at (979) 845-5139 or http://HireAggies.com

College of Agriculture and Life Sciences Career Center Coordinator:

Whitney Hinze | 979.845.5139 | whinze@tamu.edu

REQUIREMENTS FOR THE AGGIE RING

- 90 total completed undergraduate or professional hours
- **45 completed institution undergraduate or professional hours**
- **♦ 2.0 minimum cumulative GPR**
- Must not be on academic probation, suspension, dismissal, expulsion, or on honor violation probation from Texas A&M University

Please visit the Aggie Ring website at http://www.aggienetwork.com/ring/qualifications.aspx or contact the Ring Office at 979-845-1050 for more information

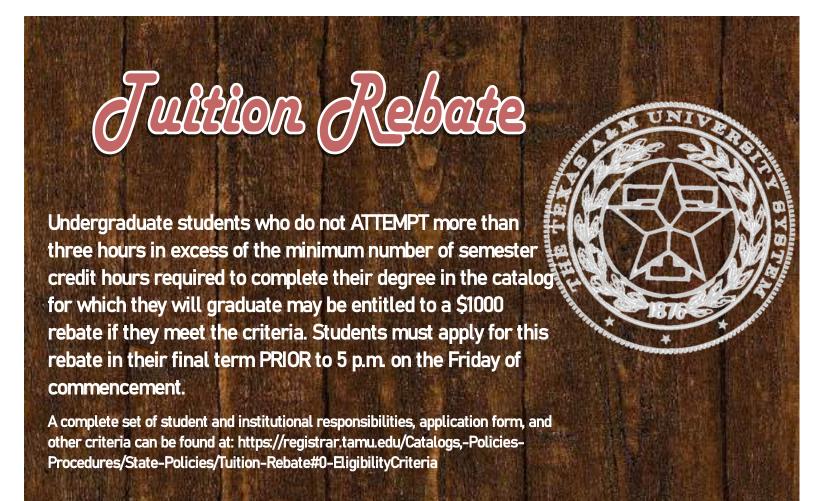

GRADUATION REQUIREMENTS

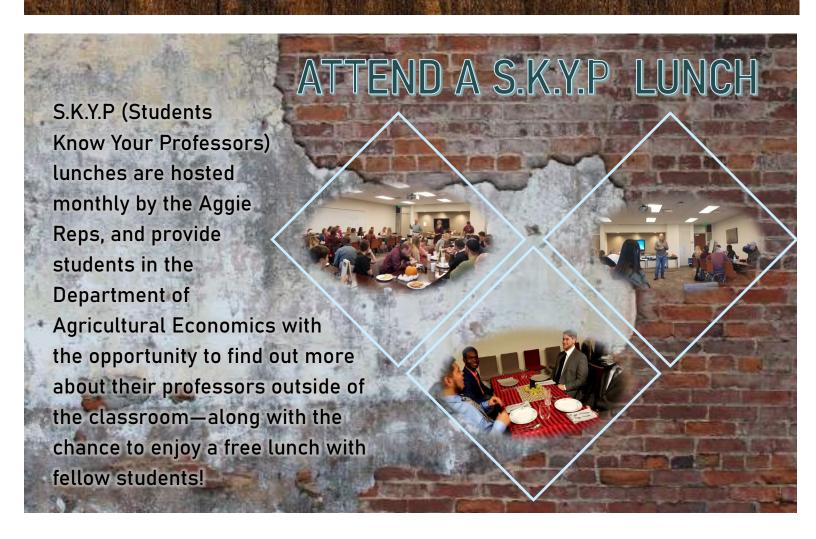

- A minimum of 36 hours of 300-and/or 400-level course work must be successfully completed in residence at Texas A&M University. At least 12 of these 36 semester hours must be "in the major."
- Students must have a minimum GPR of at least a 2.0 overall, in major and (for Agribusiness majors) in CBK course work.
- Students must have settled all financial obligations to the university, and completed the graduation application in Howdy.
- Detailed requirements for graduation are listed in the Undergraduate Catalog and in the Texas A&M University Student Rules, Rule 14.
- ♦ To graduate with Latin Honors, a student must complete at least 60 passed hours at Texas A&M University or Texas A&M University at Galveston (excluding Credit by exam and Graduate Level courses) and meet the following GPR requirements:

Summa Cum Laude: 3.9 or above Magna Cum Laude: 3.70 through 3.899 Cum Laude: 3.5 through 3.699

HONORS PROGRAM

The AGEC Honors program is offered to qualified, academically-talented, and highly motivated students. Students in this program have the opportunity to enrich their college experience through a scholastically challenging curriculum and an inquiry-based learning process. In addition, students are provided with opportunities to network with peers in the program and participate in events that will help them develop at a professional level.

For more information about the program (including course requirements), please visit:

http://agecon.tamu.edu/undergraduate/currentstudents/honors/
or contact Hannah Chavarria at
hannahchav3984@tamu.edu

To apply for industry internship credit, the Department of Agricultural Economics requires that the student:

- Have at least 12 hours completed in residence at Texas A&M University
- Have completed AGEC 105, ECON 202 or 203, MATH 141, MATH 142, AGEC 217, and ACCT 209 or 229.
- Sophomores (30-59 credit hours) must have a minimum GPR of at least a 2.75 (overall, in major, and in the next hour CBK courses if applicable)
- Juniors and Seniors (60 or more credit hours) must have a minimum GPR of at least a 2.5 (overall, in major, and in CBK courses if applicable)
- Visit with an advisor to obtain a request for Industry Internship Credit/Directed Studies form
- Complete Industry Internship Credit, Appendix A, and Appendix B forms, which can be found at: http://agecon.tamu.edu/wp- content/uploads/2013/10/5-Intern-Manual-11-8-2011.pdf.
- Have completed forms signed by Dr. Dusty Menzies, Director of the Internship Program (AGLS 323) BEFORE beginning the internship
- Submit signed forms to the AGEC Undergraduate Office in Suite 214 of the Agriculture and Life Sciences Building
- Make sure you have been registered for AGEC 484 before you start your internship
- Information about the Agricultural and Natural Resources Policy Internship Program (ANRP) can be found by visiting: http://anrp.tamu.edu/

MINORS

Students at Texas A&M University may pursue and receive transcript recognition for a minor program. Students interested in applying to add a minor to their degree plan must be in good academic standing (minimum cumulative GPR of 2.0)

- Students interested in adding a minor to their degree plan should begin by scheduling a visit with the minor-granting department* in order to obtain permission and the appropriate course lists prior to taking classes
- Once a student declares a minor, it becomes part of their graduation requirements
- The minor program is recognized on the transcript after graduation. The minor program is NOT recognized on the diploma
- For a complete list of university minors and requirements, please visit: http://registrar.tamu.edu/Registrar/media/REGI_SpecPDFDocs/ UniversityApproved Minors.pdf
 - *If a student intends to purse a minor in Economics (Econ), Business Administration (BUAD) or Sports Management (SPMT), he or she should schedule an appointment with an AGEC advisor. Students do not need to contact the ECON or BUAD departments.

DOUBLE MAJORS AND SECOND DEGREES

Students that are interested in pursuing a double major must meet with an advisor in the second major to obtain a list of courses required to receive the double major. After obtaining the list, the student must bring a copy to his/her advisor in the Department of Agricultural Economics. A second major must be declared BEFORE the student reaches 90 total credit hours.

CERTIFICATE PROGRAMS

Texas A&M University offers a wide variety of certification programs. Upon completion, the title of the relevant certificate program will be added to the student's official transcript. For more information, visit https://registrar.tamu.edu/Our-Services/Curricular-Services/Curricular-Approvals/Program-Approvals/Approved-Certificate-Programs#0-UndergraduateCertificates, or search "certificates" in the undergraduate catalogue. The Department of Agricultural Economics offers a Certificate in International Trade and Agriculture (CITA). Students who pursue any certification program must complete all requirements, and will need to work with the certificate-granting department to ensure that the certificate has been successfully added in Howdy.

Financial Planning

Financial planning and services is one of the fastest growing sectors of our economy. The Texas A&M Financial Planning Program is proud to announce that we are a CFP Board Registered Program and students completing this program will be eligible to sit for the CFP° Certification Exam. We pride ourselves in providing knowledge that goes beyond the exam and prepares students to be competitive and skilled financial planners.

Program Highlights

- Financial Planning minor is available to undergraduate students.
- Academic credit is available to undergraduate and graduate students.
- Extended Learning credit is available to adult learners, former students, and professionals interested in changing or advancing their careers.
- Certificate program consists of six courses with a total of 18 credit hours of coursesvork.
- All courses are available online. Some courses are also available through traditional classroom delivery.
- · Applications are being accepted now.

SCHOLARSHIPS

The Department of Agricultural Economics offers a number of scholarships to continuing students in our department (departmental scholarships are not offered to incoming students). The criteria for each scholarship offered by the Department of Agricultural Economics varies widely: in addition to the overall GPR, financial need, extra-curricular activities, and leadership requirements, some scholarships consider professional career interest, residency in a particular county in the state, and participation in departmental clubs. See http://agecon.tamu.edu/wp-content/uploads/2013/10/AGEC-Departmental-Scholarships-and-Requirements.pdf for a list of departmental scholarships and their unique requirements.

Applications are available online at https://scholarships.tamu.edu/ at the end of September or in early October. The deadline for submitting an application is February 1. You will need to select the "Continuing Students" link. Specific dates will be posted in the AGEC Express Newsletter. For more information regarding departmental scholarships, students may contact an advisor in Suite 214 of the Agriculture and Life Science Building by calling (979) 845-4911.

Students who are interested in departmental scholarships should begin their club involvement within the Department of Agricultural Economics.

STUDENT ORGANIZATIONS

CAREER FAIRS

The College of
Agriculture and Life
Sciences offers
Agriculture Career
Exposition (ACE) Days
twice a year. Information
regarding specific dates,
times and location will
be included in our
newsletter.

Participating in student organizations gives you an opportunity to network, meet new people who have similar interests and career goals, explore career options learn and practice leadership skills, and boost your resume. Being involved in student organizations also gives students the opportunity to make an impact, and leave their mark on the Department of Agricultural Economics, the College of Agriculture and Life Sciences, and Texas A&M University. The Department of Agricultural hosts several student organizations, which are included on the following pages.

Founded in 1928, AES is a student organization that is not defined by a unique specialization. The Ag Econ Society is an organization which embodies Agricultural Economics in its entirety. As the representative of the national Agricultural and Applied Economics Association (AAEA), the Ag Econ Society has evolved to be a dynamic, active, and all-inclusive student organization in the Department of Agricultural Economics at Texas A&M University. Please contact Dr. Dusty Menzies at d-Menzies@tamu.edu or Dr. Dmitry Vedenov at vedenov@tamu.edu for more information.

Agricultural Economics Society (A.E.S)

DEPARTMENTAL CLUBS

AGRICULTURAL ECONOMICS

Aggie REPS is a leadership organization established to promote undergraduate activities in the AGEC department, and to function as a liaison between faculty and students. The Aggie REPS host events, help with new student orientation, student mentoring, department/campus tours, and student-to-faculty communication. The selection process involves both written applications and interviews, and 10-25 Reps are selected based on academic qualifications, leadership capabilities, personality characteristics, and commitment to service. Please contact Dr. Dusty Menzies at d-Menzies@tamu.edu for more information.

Financial Planning Student Association

PROFESSIONAL DEVELOPMENT CLUBS

Agricultural Economics offers SIX departmental clubs/ student organizations.

Texas A&M University offers over 1000+ clubs/ organizations on campus.

There is opportunity everywhere —so take advantage of it!

The Financial Planning Student Association (FPSA) meets twice a month. Meetings often feature a guest from the financial services industry. Guest speakers typically share their story about their career path, discuss trends in the industry, provide insight into financial planning technology, and even give career advice to students interested in joining the financial planning industry. If you are considering a career in financial planning, we invite you to attend one of our monthly meetings! For more information, contact the Financial Planning Student Association at aggieFPSA@gmail.com, or Dr. Nathan

Harness at nharness@tamu.edu.

Professional Sales Student Association

Our mission (PSSA) is to provide career and professional growth opportunities for students. Our focus is to create and environment that facilitates the development, networking, and opportunities for students interested in selling themselves, their ideas, and a career in professionals sales. For more information, contact Codie Wright at codie.wright@tamu.edu.

The National Agri-Marketing Association (NAMA) introduces students to career opportunities in marketing, advertising, public relations, sales, communications, and more! Students in the National Agri-Marketing Association NAMA can participate in national competitions presenting a complete marketing plan to a panel of judges. For more information, including meeting days/times, dues, etc., contact Dr. Dharmasena by email at sdharmasena@tamu.edu or by phone at 979-845-4911.

Get involved in the department and join an AGECO organization!

The Finance, Insurance, and Real Estate (F.I.R.E.) Club introduces students to career opportunities in the fields of finance, insurance, and real estate, as well as related areas such as law and banking. Guest speakers in these areas make this a great source for networking. For more information, including meeting days/times, dues, etc., contact the advisor Dr. Vicky Salin by email at v-salin@tamu.edu; by phone at 979-845-8103.

This organization is open to all students.

DEGREE PLANNER

DEGREE PLANNER INSTRUCTIONS

The degree planner is a great tool that students and advisors use to track your progress and to plan your specific schedule throughout your undergraduate degree. All students with thirty or more credit hours are required to have an approved degree planner on file, so here's a few tips to help you complete the assignment!

- Log in into HOWDY
- Click on the degree planner icon in the toolbar at the top of the HOWDY homepage
- You will be taken to a new page, and at the bottom of that page you will click the button that says "Continue to Degree Plan." Green bars will pop up that shows it is loading (this could take a while, so give it some time!)
- Depending on where you are at in the process, the planner will take you to either the "Edit Plan" or "Degree Evaluation" tab.

*The degree planner requires students to specify a planned semester for every course requirement. Classes that you have already completed or have registered for should automatically show up in the planner.

To add a class to the planner, select "Add New Courses to Degree Plan" (it's the button on top middle under the "Edit Plan" tab). MAKE SURE YOU CHECK THE "PREREQ CHECK" TAB so you know what classes you need to take before you take your upper level courses, and you put them in the correct semesters/ sequence. Please note that some courses are only offered in certain semesters (Example: AGEC 424 is ONLY offered in the Fall and 425 is ONLY offered in the spring). If you do NOT know what courses you need to finish you degree plan, go to the "Degree Evaluation" tab. It will show you a screen with several degree categories with a bar for each category.

Green Bar — Completed Course Yellow Bar — Planned Course Red Bar — No Planned Course

Let's say you have red showing in your "Major Coursework" category bar. If you want to know what courses you still need to add to satisfy your degree requirements and complete the planner, you can select the drop down menu by clicking on the "+" icon and on the left side it will have a list of all the courses for that category. If the requirement is marked "No" in red next to that specific course this means you will need to add it to your degree planner.

This is the same process for the other categories, like "Supporting Coursework" or "Directed Non-AGEC Electives" with red in the bar.

Once you have figured out what courses you need to take (put in your degree planner) and in the correct sequence—go back to the "Edit Plan" Tab.

To add courses to the degree planner. select "Add New Courses to Degree Plan" (it is the button on top middle under the "Edit Plan" tab). This will create a popup box with sections labeled, "Subject", "Course Number" and "Term." You can add up to TEN courses at a time.

EXAMPLE:

Subject: AGEC Course number: 424 Term: Fall 2020

Once you have added the courses you need in the pop-up window, click "Save Courses to Degree Planner." When you add courses they will show up under the "Edit Plan" tab as a DRAFT PLAN. Again, make sure you have specified a term for all of your required courses by clicking on the Degree Evaluation tab. All the bars should be GREEN & YELLOW by the time you are done.

Once you have completed your degree plan (added all the correct coursework), under the "Degree Plan" Tab, scroll down to the bottom of the page and there should be a button that says, "Submit Degree Planner for Approval." Now is your chance to add contextual comments and mention any concerns to your advisor, such as: "I would like to add a minor", "I added this course, but it is not counting towards my degree plan" or "How do I add honors courses?"

Once you submit it, it will go to the advisors for approval and they will contact you with feedback about any changes you will want to make.

NOTE:

- Even when you have planned a course in your degree planner; sometimes it still shows up in red in the bar on the "degree plan" tab. That means something may need to be done on the advising side. While you can still submit a degree planner with red if you have added all the correct courses, it's a good idea to visit with advisor to see why this is happening.
- Although the planner lets students add any classes in any order this doesn't mean that things are correct, so make sure to check all of the prerequisites and sequencing to avoid having your planner denied and have the hold remain on your account.
- HOLDS will be placed on your account if you do NOT submit a degree planner by the required due date. This hold will prevent you from registering for courses for the next semester.
- On degree planners take 2-4 weeks to be approved on average before the hold is removed, so you'll want to avoid submitting it at the last minute. Make sure to submit your planner early and give the advisors enough time to review your planner.
- Approval of your degree plan does NOT guarantee enrollment in the included courses or degree completion.

ADVISING APPOINTMENTS

NAVIGATE

Navigate is the system that TAMU Undergraduate Advising Offices use to allow students to schedule appointments with academic advisors. This guide will take you step-by-step on how to make an advising appointment with the AGEC Undergraduate Advisors.

- Login into HOWDY
- Under the "My Record" tab, scroll down to the second box on the right hand side labeled "Advising Appointments." In the box there is a BLUE link that says "NAVIGATE—Schedule Appointment."
- Click on the link.
- After clicking the link, it takes you to a new page that says "Schedule Appointment."
- Under "Schedule Appointment," it prompts you with a second question: "What Type?" You would then select "Advising TAMU—College Station"
- It then asks you another question: "College/ Reason?" You would then select, "AG-Agricultural & Life Sciences Undergraduate Advising."
- It then asks the final question, "Specific Reason?"—you then select the option/ reason you are coming in to speak with an advisor.
- After answering that question, you will be taken to a new page where it will ask, "Location associated with your major?" You would scroll down to our major: AG—AGEC and AGBU.
- It will ask you which advisor you would like to see after you make you major selection.
- If you choose an advisor (for example, Donna Adcock), it will show you Donna's specific advising schedule.
- If you do NOT choose a particular advisor—it will show you all the available openings for any AGEC advisor.
- After choosing (or not choosing) an advisor, you will then select a date and time you would like to meet. After you have chosen your time, at the bottom right corner of the screen click "next." This will take you to a new page to confirm your appointment.
- Each advisor (might) have specific instructions/a message for you to add in the comments before you confirm your appointment so they can properly prepare for your meeting.

For example, most of the time the advisors would like to know:

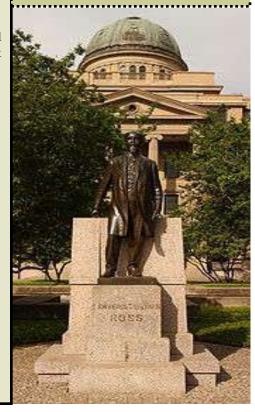

What is your UIN? How many hours in a semester are you comfortable taking? Do you plan on taking summer courses? When do you plan on graduating? What are your career interests?

- You can also add a personal comment with information you want to know other than the information the advisor has requested.
- You must also select how to receive a confirmation of your appointment—either through phone or email.
- At the very bottom of the page, click the "confirm" button once you have filled out all the correct information.

You are all set, and have made an appointment with your AGEC Advisor!!!

What should you expect/do when you come in for an advising meeting?

- Come prepared and have your questions ready!
- ◊ If you are scheduling an appointment and you add comments about why you are coming in, the advisor can already have some ideas of how to answer your questions.
- We don't make decisions for you!

REGISTRATION

REGISTRATION WORKSHEET

The registration worksheet is a great tool to get your classes planned out before your registration time!

- First, login into HOWDY
- On the top of the homepage in HOWDY, select the "Registration" icon.
- Once the "Registration" icon is selected, it will take you to a new page with several different options to choose from. You will select the "Registration Worksheet" link.
- You will then be taken to a new page that will ask you to select a term. You will choose the term you will be registering for. For example, if we are in Fall of 2020 and you need to register for spring courses, you would select "Spring 2021"
- After you select a term, select "Create a Registration Worksheet"
- When you begin adding classes, make sure to select "View Sections" before you select "Add a Course" to the worksheet (example: if you click "Add a Class" before you select a section it will assume that "AGEC 105" is a class that you are generally interested in taking but will not save you a specific seat in a specific class section).
- *If you have done a degree planner approved by an advisor, it should have classes already built in from your degree planner. If you like these courses that are already listed, on the far right side there should be a "View Sections" button. It will then take you to the course list and all the sections available. Once you have decided which course section you want you add that to your registration worksheet. Whenever you add a course section scroll to the bottom and click the "Save to Registration Worksheet."
- *When looking at planned sections for a course, make sure to check that you have not accidentally added an honors course or a course that has restrictions, as some course sections are reserved for students with certain attributes.
- *Also, check the prerequisites tab for the course. If you do not have the prerequisites completed for that particular course, when you go to add and drop classes it will not allow you to register.

Once you have filled your worksheet and save all the courses, you are done until registration!

REGISTRATION DAY:

When you go into HOWDY to register for courses, you are given the option to "Add courses from the Worksheet" and it will register you for all your courses you put together in your worksheet (as long as the course has space and you meet all of the prerequisites)

REGISTERING

In addition to the NSC video tutorial on how to register for courses here is a quick "How To" that can help you register for classes!

- Login into HOWDY
- On the top of the homepage in HOWDY select the "Registration" icon.
- · Once the "Registration" icon is selected, it will take you to a new page with different options to choose from. You will select the "Registration" link.
- Select the term you are registering for

*If you have previously built a registration worksheet there should be an option to register courses from worksheet. If you select that, it will register you for the courses you put together for the worksheet. If you did not put together a registration worksheet—you will have to look up each course individually when registering.

This will take you to a page titled, "Search Criteria." The "Subject" will be your four letter subject abbreviation. For example: AGEC (Ag Economics) ACCT (Accounting) or STAT (Statistics).

The course number will be the specific course you are wanting to take. Example: AGEC 105 (Course Number: 105)

To look at all the sections for the course you trying to register for hit the "Search Button." It will then take you to a new page with all of the sections available for that term.

MAKE SURE YOU CHECK THE SECTION RESTRICTIONS BEFORE REGISTERING FOR A COURSE.

When determining which section to choose there are a few things to look at. First, check if the class is full (if the section is full it will NOT allow you to register for it).

If the course has "HNR" in front of the course title, that is an HONORS course and you cannot register for it unless you are an honors student.

Look at the restrictions for courses as well. Some courses have prerequisites and will not let you register for the course if you have not completed them before registering. ALSO, some courses are MAJOR RESTRICTED. If you are not in a certain major; you will not be able to register for the course.

NOTE: if two courses overlap in time slots, you will NOT be able to register for both courses.

Once you have found the correct section for you, you will select it and add it to your schedule. You will repeat the process for the remaining courses on your schedule.

Once you have done this for all of your classes, you are done!!

AGRIBUSINESS

The B.S. in Agribusiness trains students to integrate business management principles with technical knowledge, and helps them develop practical decision-making skills. Students are also provided with a better understanding of agriculture in national and international economies.

This degree combines accounting, marketing, management, and finance courses with classes that will emphasize an understanding of the unique institutional and managerial challenges facing businesses in the 21st century. The comprehensive training from this degree prepares graduates to find employment in either non-agricultural firms or traditional agribusiness companies.

^{*}Students enter the Agribusiness program as lower-level (AGBL) students

AGRIBUSINESS CORE BUSINESS KNOWLEDGE (CBK) COURSES

Lower-level CBK courses: Upper-level CBK courses:

ACCT 229 AGEC 440

ACCT 230 AGEC 481

AGEC 217 SCMT 303 OR STAT 303

ECON 202 SCMT 364

ECON 203 FINC 341

MGMT 211 MGMT 363

MKTG 321

AGRIBUSINESS MAJOR COURSES: 24 Hours

AGEC 105 AGEC 429 *AGEC 430 OR ECON 311

AGEC 317 AGEC 431 AGEC 117

AGEC 340 ECON 323

AGEC 414

REQUIREMENTS TO TRANSITION FROM LOWER-LEVEL (AGBL) TO UPPER-LEVEL (AGBU)

The Undergraduate Office in the Department of Agricultural Economics will monitor the student's progress through the lower-level requirements listed below and will change the student's designation when all requirements have been met (students do not apply to become upper-level). Students CANNOT take any upper-level business course (SCMT 303, FINC 341, MGMT 363, MKTG 321, SCMT 364) until they have completed the requirements to move from lower-level (AGBL) to upper-level (AGBU).

The requirements for becoming upper-level are as follows:

- Satisfactorily complete at least 60 semester credit hours (A&M hours and Transfer hours combined)
- Satisfactorily complete all of the following eight (8) courses:

ACCT 229 and ACCT 230

AGEC 217*

ECON 202 and ECON 203

MGMT 211

^{*}Students may select either AGEC 430 "Macroeconomics of Agriculture" or ECON 311 "Money and Banking." Prerequisites for AGEC 430 are: AGEC 317 (or concurrent enrollment), AGEC 429, FINC 341, and Junior or Senior classification.

^{*}MATH 140, MATH 142, AGEC 105, and ENGL 103 or 104 are prerequisites for AGEC 217

FOOTNOTES FOR THE AGRIBUSINESS DEGREE PLAN

Catalog 202031

- 1. American History, Creative Arts, Government/Political Science, Language, Philosophy and Culture, Life and Physical Sciences are part of the Texas A&M University's Core Curriculum. The approved Core Curriculum Course list is located at core.tamu.edu.
- Communication Elective: Select from the following COMM 203, COMM 205,
 COMM 243, ENGL 203, ENGL 210 or THAR 407 (if ENGL 103 and 104 have been successfully completed, this requirement has already been met).
- 3. To be selected from the following list of courses on Page 41-42.
- 4. Select a class from the following departments:
- Agricultural Communications and Journalism (AGCJ)
- Agricultural Systems Management (AGSM)
- Animal Science (ANSC)
- Bioenvironmental Sciences (BESC)
- Dairy Science (DASC)
- Entomology (ENTO)
- Food Science and Technology (FSTC)
- Forensic Investigative Sciences (FIVS)
- Horticulture (HORT)
- Nutrition and Food Science (NFSC)

- Poultry Science (POSC)
- Recreation, Park and Tourism Sciences (RPTS)
- Renewable Natural Resources (RENR)
- Soil and Crop Sciences (SCSC)
- Veterinary Integrative Biosciences (VIBS)
- Veterinary Large Animal Clinical Sciences (VLCS)
- Veterinary Pathobiology (VTPB)
- Veterinary Physiology and Pharmacology (VTPP)
- Wildlife and Fisheries Sciences (WFSC)
- 5. General Electives are ANY course TAMU offers except SLCX 0013-003, KINE 198 or KINE 199.
- International and Cultural Diversity (ICD) requirement: Agribusiness majors
 who have selected two Directed Electives-International courses from the list on Page 41-42
 will have also met their ICD requirement.
- 7. Cultural Discourse (CD) requirement: Courses that can be used to satisfy this requirement are listed on Page 55.
- 8. Foreign Language If a student has completed at least two years of the same foreign language in high school, they have met this requirement. If the student did not complete at least two years of the same foreign language in high school, then they will be required to complete a two-semester sequence of a foreign language at the college level to be eligible for graduation. Students must submit official high school transcript to verify the completion of their foreign language requirement.

NOTE:

[&]quot;Social and Behavioral Science" degree requirement will be met with the successful completion of AGEC 105

NOTE:

- ⇒ Students are required to take six hours from the list of provided courses
- ⇒ Unless otherwise specified, courses shown are three (3) credit hours
- ⇒ Starred courses in bold text require upper-level AGBU status in order to register
- ⇒ Study abroad courses conducted in another country by a TAMU faculty member, completed as part of a reciprocal exchange program (REEP), or completed in another country through direct enrollment in another institution, can be used to satisfy the IE (and ICD) requirement. This includes credits earned through 285, 291, 484, 485, and 491 courses conducted abroad for which grades are determined by a TAMU faculty member. You must visit with an advisor prior to enrolling in study abroad courses to make sure the course(s) you are planning to take can be used on your degree
- ⇒ Major restrictions and prerequisites for courses may change. Although a course is listed, this does not guarantee that students are able to register. Students should check to see if there are any prerequisites for the courses listed BEFORE registering

AGRICULTURAL ECONOMICS

The B.S. in Agricultural Economics degree offers students the opportunity to select a particular field of concentration from the following:

Finance and Real Estate

The Finance and Real Estate option provides students interested in pursuing careers in the banking or real estate industry with the means to understand issues unique to lending, real estate appraisal, real estate investment, development, and brokerage. Students also have access to coursework that will prepare them for graduate-level programs.

Food Marketing Systems

The Food Marketing Systems option provides students interested in pursuing careers in the food marketing and sales sector of the food supply industry with tools for understanding issues unique to the development, advertising, distribution, and sales of food products.

Policy and Economic Analysis

The Policy and Economic Analysis option provides students interested in pursuing graduate or law degrees (as well as careers in local, state, and federal government) with the tools for understanding issues unique to government policies and the economy.

Rural Entrepreneurship

The Rural Entrepreneurship option provides students with an interest in owning, managing, or lending to rural, innovative business enterprises with the tools for understanding the issues unique to the start-up of such businesses. Students in this option have plans to own and operate diverse businesses ranging from cow/calf operations, equine boarding businesses, and farming enterprises to restaurants, movie theaters, and bridal boutiques.

Finance and Real Estate Career Options:

FOOTNOTES FOR AGRICULTURAL ECONOMICS OPTIONS

Catalog 202031

- 1. The American History, Creative Arts, Government/Political Science, Language, Philosophy and Culture, Life and Physical Sciences requirements are part of the Texas A&M University's Core Curriculum. For more information concerning these requirements, visit: core.tamu.edu.
- 2. Select a class from the following departments:

Agricultural
Communications and
Journalism (AGCJ)

Agricultural Systems Management (AGSM)

Animal Science (ANSC)

Bioenvironmental Sciences (BESC)

Dairy Science (DASC)

Entomology (ENTO)

Food Science and Technology (FSTC)

Forensic Investigative Sciences (FIVS)

Horticulture (HORT)

Nutrition and Food Science (NFSC)

Poultry Science (POSC)

Recreation, Park and Tourism Sciences (RPTS)

Renewable Natural Resources (RENR)

Soil and Crop Sciences (SCSC)

Veterinary Integrative Biosciences (VIBS)

Veterinary Large Animal Clinical Sciences (VLCS)

Veterinary Pathobiology (VTPB)

Veterinary Physiology and Pharmacology (VTPP)

Wildlife and Fisheries Sciences (WFSC)

- 3. Communication Elective: Select from the following COMM 203, COMM 205, COMM 243, ENGL 203, ENGL 210 or THAR 407 (if ENGL 103 and 104 have been successfully completed, this requirement has already been met).
- 4. Directed Non-Agricultural Economics Electives: Course listings located in Appendix B-D.
- 5. Directed Agricultural Economics Electives: any AGEC course that is not already listed as a required course on a student's degree plan (see Appendix A).
- 6. General Electives are ANY course TAMU offers except SLCX 0013-003, KINE 198 or KINE 199.

NOTE:

- ⇒ Unless otherwise specified, courses shown are three (3) credit hours
- ⇒ Major restrictions and prerequisites for courses may change. Although a course is listed, this does not guarantee that students are able to register. Students should check to see if there are any prerequisites for the courses listed BEFORE registering

FOOTNOTES FOR AGRICULTURAL ECONOMICS OPTIONS

Catalog 202031

- 7. International and Cultural Diversity (ICD): Students may meet these requirements by selecting courses from Language, Philosophy and Culture, Creative Arts, American History, Directed AGEC electives and/or Directed Non-AGEC electives on Page 54.
- 8. Cultural Discourse (CD): Courses that can be used to satisfy this requirement are listed on Page 55.
- 9. Foreign Language If a student has completed at least two years of the same foreign language in high school, they have met this requirement. If the student did not complete at least two years of the same foreign language in high school, then they will be required to complete a two-semester sequence of a foreign language at the college level to be eligible for graduation. Students must submit official high school transcript to verify the completion of their foreign language requirement.

3+2

MASTERS OF PUBLIC SERVICE AND ADMINISTRATION

This joint-degree program between the Department of Agricultural Economics and the Bush School of Government & Public Service allows undergraduate Agricultural Economics students to enter the Master of Public Service graduate program in the beginning of their fourth year at Texas A&M University.

Agricultural Economics majors who will have completed at least 95 hours by the fall of their fourth year with a 3.25 GPA (and completed all prerequisite courses) will be eligible to apply for the five-year program during their junior year. Applicants to the five-year program will submit the same materials (including GRE scores) as other MPSA applicants, and those whose records are judged to be competitive by the mid-January deadline will be invited to attend the GBS Interview Conference Weekend in late February/early March.

4 + 1

Masters of Real Estate (MRE)

Students who are interested in obtaining a Masters degree in Real Estate (MRE) have the option to pursue one of the following degree plans in order to begin an avenue of admission to the Mays Business School MRE program during their senior year in the AGEC program. In addition to completing the course work in the 4+1 degree plan track, students must also:

- Have a cumulative GPR of 3.33 or higher on all completed college coursework
- Maintain a 3.50 or higher on their last 60 hours of completed college coursework
- Take the GRE or GMAT and score in the top 50 percentile for both Math and Verbal*

Students that are interested in participating in this program should first visit with a Department of Agricultural Economics academic advisor and with the MRE Program Coordinator in order to receive more information.

APPENDIX A

AGEC CLASS PREREQUISITES

- AGEC 105 Introduction to Agricultural Economics: (Offered Fall, Spring, and Summer)
- **AGEC 117 Critical Thinking and Decision-Making in Agricultural Economics:** AGEC 105 or ECON 202 or ECON 203, Freshman classification (Offered Fall and Spring)
- **AGEC 216 Fundamentals of the Agrifood Sales Industry:**
- **AGEC 217 Fundamentals of Agricultural Economics Analysis:** AGEC 105; ENGL 104 or ENGL 103; MATH 141; MATH 142; Sophomore or Junior classification; AGEC or AGBL majors; or approval of Dept. Head (Offered Fall and Spring)
- AGEC 223 Establishing AGBU Entrepreneurship Networks I: Open to all majors
- **AGEC 235 Foundations of Money Education**: (Offered Fall and Spring)
- **AGEC 285 Directed Studies:** AGEC 105; Freshman or Sophomore classification in AGEC or AGBL, or approval of Dept. Head and instructor; 2.25 GPR in major, overall and CBK courses (if applicable) (Offered Fall, Spring, and Summer)
- AGEC 289 Special Topics in ...: Freshman or Sophomore classification, and approval of Dept. Head
- **AGEC 291 Research:** Freshman or Sophomore classification, and approval of Dept. Head (Offered Fall, Spring, and Summer)
- **AGEC 314 Marketing Agricultural and Food Products:** AGEC 105 or 3 hours of Economics*; Junior or Senior classification. (Offered Fall, Spring and Summer)
- AGEC 315 Food and Agricultural Sales: Junior or Senior classification (Offered Fall and Spring)
- AGEC 316 Building Customer Relationships in AgriFood Selling: AGEC 315 (Offered Spring)
- **AGEC 317 Economic Analysis for Agribusiness Management:** AGEC 217; MATH 141; MATH 142; ECON 322/323; STAT 301/302/303 or INFO 303; Junior or Senior classification (Offered Fall and Spring)
- **AGEC 324 AGBU Entrepreneur Budgeting:** AGEC 105 or ECON 212; ACCT 209 or ACCT 210 or ACCT 229 or ACCT 230 or AGEC 330 or FINC 341 or FINC 409; Junior or Senior classification or approval of instructor (Offered Spring)
- **AGEC 325 Principles of Farm and Ranch Management:** AGEC 105 or ECON 202; Junior or Senior classification; knowledge of Excel is expected (Offered Spring)
- **AGEC 330 Financial Management in Agriculture:** AGEC 105 or 3 hours of Economics*; ACCT 209/229; Junior or Senior classification (Offered Fall and Spring)
- AGEC 335 Financial Readiness: Junior or Senior classification (Offered Fall and Spring)
- **AGEC 340 Agribusiness Management:** AGEC 105 or 3 hours of Economics*; Junior or Senior classification (Offered Fall, Spring, and Summer)
- AGEC 344 Food and Agricultural Law: Junior or Senior classification (Offered Fall and Spring)
- **AGEC 350 Environmental and Natural Resource Economics:** Junior or Senior classification (Offered Fall and Spring)
- **AGEC 401 Global Agri-Industries and Markets: Study Abroad:** AGEC 105 or 3 hours of Economics; Junior or Senior classification or approval of Dept. Head (Primarily offered in Summer, may be offered in Fall and Spring)

- **AGEC 402 Survey of International Agricultural Economics: Study Abroad:** AGEC 105 or 3 hours of economics; Junior or Senior classification or approval of Dept. Head (Primarily offered in Summer, may be offered in Fall and Spring)
- **AGEC 408 Economics of Foreign Intervention, Conflict, and Development**: AGEC 105 or ECON 202 or equivalent; ENGL 104; or approval of instructor
- **AGEC 413 Agricultural Cooperatives:** AGEC 105; AGEC 314, Junior or Senior classification (Offered Fall)
- **AGEC 414 Agribusiness and Food Market Analysis:** AGEC 317; FINC 341; MKTG 321; Junior or Senior AGBU majors only (Offered Fall and Spring)
- AGEC 415 Food and Agribusiness Strategies Market Planning: AGEC 314 or MKTG 321/409; AGEC 315; Junior or Senior classification or approval of instructor (Offered Spring)
- AGEC 416 Sales Management and Advanced Techniques in Professional Technical Selling for AgriFood Firms: AGEC 315 (Offered Fall)
- **AGEC 420 Food Security, Climate, and Conflict**: AGEC 105 or ECON 202; Junior or Senior classification; or approval of instructor
- **AGEC 422 Land Economics:** AGEC 105 or 3 hours of Economics*; Junior or Senior classification (Offered Fall and Spring)
- **AGEC 423 Establishing AGBU Entrepreneurship Networks II:** Concurrent enrollment in AGEC 424; Junior or Senior classification or approval of instructor (may not enroll in AGEC 223 and AGEC 423 during the same semester)
- **AGEC 424 Rural Entrepreneurship I:** ACCT 209/229; AGEC 105 or ECON 202; Junior or Senior classification; or approval of Dept. Head (Offered Fall)
- AGEC 425 Rural Entrepreneurship II: AGEC 424; Junior or Senior classification (Offered Spring)
- **AGEC 429 Agricultural Policy:** AGEC 105 or 3 hours of economics*; ENGL 104 or ENGL 103; Junior or Senior classification (Offered Fall and Spring)
- **AGEC 430 Macroeconomics of Agriculture:** AGEC 105 or 3 hours of economics*; AGEC 317 (or concurrent enrollment); AGEC 330 or FINC 409/341; AGEC 429; Junior or Senior classification (Offered Fall and Spring)
- **AGEC 431 Cases in Agribusiness Finance:** AGEC 317; AGEC 340; FINC 341; Junior or Senior AGBU majors only (Offered Fall and Spring)
- AGEC 432 Rural Real Estate and Finance Analysis: AGEC 317; AGEC 330 or FINC 409/341; AGEC 422; ACCT 210/230; Junior or Senior classification (Offered Spring)
- AGEC 434 Rural Financial Markets and Financial Planning: ACCT 209/229; ACCT 210/230; AGEC 330 or FINC 341/409; Junior or Senior classification (Offered Spring)
- **AGEC 435 Personal Financial Planning for Professionals:** Junior or Senior classification (Offered Fall and Spring)
- **AGEC 436 Insurance and Estate Planning:** AGEC 330, AGEC 435, FINC 409 or FINC 341; Junior or Senior classification (Offered Spring)
- **AGEC 437 Tax Planning:** AGEC 330, AGEC 435, FINC 409 or FINC 341; Junior or Senior classification (Only offered in 10-week Summer session)
- AGEC 438 Investment Planning: AGEC 435 and Junior or Senior classification
- AGEC 439 Retirement Planning: AGEC 435 and Junior or Senior classification

AGEC 440 Agribusiness Strategic Analysis: AGEC 317; AGEC 340; FINC 341; MGMT 363; MKTG 321; Junior or Senior AGBU majors only (Offered Fall and Spring)

AGEC 441 Financial Planning Capstone: AGEC 435; AGEC 436; AGEC 437; AGEC 438 and AGEC 439; Junior or Senior classification

AGEC 447 Food and Agricultural Price Analysis: AGEC 314; AGEC 317; Junior or Senior classification (Offered Fall only)

AGEC 448 Agricultural Commodity Futures: AGEC 105 or 3 hours of economics*; AGEC 314; AGEC 317 or concurrent enrollment; Junior or Senior classification. (Offered Spring)

AGEC 452 International Trade and Agriculture: AGEC 105 or 3 hours of economics*; Junior or Senior classification. (Offered Fall)

AGEC 453 International Agribusiness Marketing: AGEC 105 or 3 hours of Economics*; Junior or Senior classification (Offered Fall)

AGEC 460 Cross-Cutting Issues in Agricultural Economic: AGEC 317; AGEC 314 or MKTG 321/409; AGEC 330 or FINC 341/409; AGEC 429; AGEC or AGBU majors only; Junior or Senior classification or approval of instructor (Offered Spring)

AGEC 481 Seminar: AGEC 217; Junior or Senior classification; AGEC or AGBU majors only (Offered Fall and Spring)

AGEC 484 Internship: Please see an advisor to discuss requirements

AGEC 485 Directed Studies: Please see an advisor to discuss requirements

AGEC 489 Special Topics...: Please see an advisor to discuss requirements

AGEC 491 Research: Please see an advisor to discuss requirements

Note:

- ⇒ Prerequisites may change as courses evolve or as new instructors begin teaching the course. Students are encouraged to check the most current course catalog or visit with an advisor for current prerequisite requirements before registration
- * 3 hours of Economics refers to ECON 202 or ECON 203
