

ANIMAL SCIENCE AGGIE REPS

Application for 2016-2017

The Animal Science Aggie REPS is a group of selected students whose purpose is to assist the department with recruitment and public relations. Through this organization, you have the opportunity to promote the department at events such as Aggieland Saturday and the Texas FFA Convention! You will also be an integral part of communicating with prospective students and their families at various meetings and functions.

Qualifications

- Strongly motivated to actively participate in leadership development; to interact with others inside and outside the department; to promote the department and the university; to develop relationships with other students, faculty and staff.
- Be an undergraduate Animal Science student.
- Must have a minimum of a 2.5 cumulative GPR.

Requirements of Aggie REPS

- Must be able to attend biweekly meetings, with missing no more than 3 meetings a semester. Failure to attend will result in dismissal of membership.
 - Meeting Dates: April 23: Muddapalooza, May 4: Spring social, September 7, 21, October 5, 19, November 2, 16, and 30.
- Must be able to participate in at least 6 major events throughout the year.
 - Welcome party, Aggiefest, Calling Party, Graduation, Aggieland Saturday, Barn Blitz, New Student Conferences, State FFA Convention, Apparel sales.
- Participate in department/campus tours, student mentoring, and student-to-faculty communication.
- Participate in office hours. Six hours will be required per month. Dates and time slots will be filled in a first-come first-served basis. Office hours will be held every Monday, Thursday and Friday with the exception of university holidays and final exam schedules from 8:00am-5:00pm. Students will be housed in KLCT 109H.

Application Process

- Completed applications are to be turned in to KLCT 109A by 5:00pm on Friday, April 8th, 2016.
 - This includes the application, short answer questions, and resumé.
- If notified, sign-up for and complete an interview. Interviews will be held on Thursday April 14, 2016. Final decisions will be made on April 20th, 2016 and student will be contacted via email with a final decision.

Please answer the following questions (limit two pages):

- What are some ideas or activities you have to improve recruiting efforts in our department?
- You are meeting with a prospective student who is torn between which school and/or department to choose. How would you convince the student that Texas A&M Animal Science is the right choice based on opportunities within the department, extracurricular activities, and career goals.
- What are your professional career goals and how do you plan to use your degree in the future?
- What other time commitments do you have both on and off campus?

Please include an updated copy of your resume with extracurricular activities and accomplishments

Applications are due April 8th, 2016 by 5:00pm to 109A Kleberg
Late applications will NOT be accepted

For questions, please see Dr. Frenzel in room 109A Kleberg or call 979-845-7616
Application is also available online at <http://animalscience.tamu.edu/reps>
