Transfer applicants are encouraged to complete [University Core Curriculum](#) coursework found in the [Undergraduate Catalog](#).

Transfer Course Sheet Notes

- ENGL 1301 is accepted for ENGL 104 if completed prior to Fall 2014.
- MATH 1324 from some institutions will not be a direct equivalent to MATH 141 at Texas A&M University but will satisfy the core math requirement for this major.
- Admission preference is given to applicants with the highest GPA and the most appropriate courses completed.
- This Transfer Course Sheet was supported in a partnership between the Office of Admissions and the College of Agriculture & Life Sciences at Texas A&M University with the Undergraduate Catalog having the most extant and definitive information.

Additional Transfer Requirements

- 2.75 overall GPA is preferred.
- Grades of "B" or better in required coursework is preferred.
- 24 transferrable hours (minimum) required

Additional Information

- Emphasis will be placed on students maximizing transfer hours fulfilling University Core Curriculum.
- Excessive grades of D's, F's, Q's, NG's and/or W's should be addressed in your essay. What have you done to correct this performance?
- As a transfer applicant you are required to complete Essay A as part of the application, answer the following:
 - o Why do you want to be an Animal Science major?
 - o How will an Animal Science degree help you achieve your career goals? Describe any relevant background information in relation to your goals.
 - o Explain any excessive grades of D's, F's, Q's, NG's and/or W's, if necessary.
- Meeting with an academic advisor is strongly recommended prior to application.
- Applicants are reviewed by a committee and admitted on a competitive basis. Meeting the minimum requirements does not guarantee admission.
- Please contact department regarding second-choice major consideration before applying.
